

Bringing you a wide variety of quality Christian messages from around New Zealand.

Every week across our nation, in churches, school halls and homes, thousands prepare and give messages of the good news of Jesus and how to faithfully live the Christian life

These pastors, teachers, and laypeople encourage, teach and explore the implications of the Christian gospel for all of human life and many of these messages are recorded.

Resonate brings together these conversations from around New Zealand into one place for you to listen, download and share ...
